The Honorable Rosa DeLauro  
Ranking Member  
Committee on Appropriations  
1036 Longworth HOB  
Washington, DC 20515

Dear Chairwoman Granger and Ranking Member DeLauro,

I am requesting funding for Bend Airport Federal Contract Control Tower (FCT) - New Construction in fiscal year 2024. The entity to receive funding for this project is Bend Municipal Airport, located at 63132 Powell Butte Rd, Bend, OR 97701. The funding would be used for construction of an air traffic control tower.

The project is an appropriate use of taxpayer funds because the FCT Program is administered by the FAA, and the FAA is entrusted with overseeing the safe and efficient use of our nation's airspace.

The project has a Federal nexus because the funding provided is for purposes authorized by 49 U.S.C. 47100 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Lori Chavez-DeRemer  
Member of Congress
